# Become a Corporate Ambassador of Set Sail Trust & sponsor a Pilot Cutter

PILOT CUTTERS WEEK 13TH - 23RD JUNE 2022

By supporting Set Sail Trust you will be helping others in the local community who wouldn't normally get access to a range of nautical activities.

The last event due to Covid was in 2019 where the Pilot Cutters programme completed over 70 round trips carrying 600 children and young adults from 11 schools and 12 youth groups.

## For a donation of £1,500 the Corporate Ambassadors will:

- ◆ Fund a day of sailing for underprivileged groups, special needs schools and the States chosen primary school for that year, plus
- ◆ An evening sailing experience for a team of 12 onboard a Pilot Cutter followed by dinner at The Yacht Club. A great opportunity for corporate hospitality or staff team building.
- ◆ Get recognition as a Corporate Ambassador on the Set Sail Trust website and marketing material surrounding the Pilot Cutters Week.
- ◆ Have the option to use the SST logo on their own marketing material.

If you are interested in becoming a Corporate Ambassador, please provide your details below.
